Term 4 Week 2

Upcoming Events

October

Thursday 17th & Friday 18th ~ Small Schools Mini School at Boomi Public School

Thursday 24th October ~ Water Safety & Swimming Lessons commences

Welcome to Term 4!

Where has the year gone? As they say, 'Time flies when you're having fun!' Our final term of the year is going to be busy with the completion of units of work, attending Boomi Public School's Mini Schools, water safety & swimming lessons, end of the year assembly and student reports sent home ~ just to name a few.

Building Renovations

During the holidays covers over the walkway to the front gate, the toilet block and between the office and Covered Open Learning Area (COLA) were installed. This new project now ensures that our staff and students do not get wet (when the 'big rain' decides to arrive) while walking to these areas.

School Excursion

Last term, Tuesday 17th September to Thursday 19th September, Tulloona Public School travelled to Stanthorpe for an excursion. The students visited Wren's Broccolini Farm, Law Dogs Australian~ A Dog Show With Bite, Sutton Juice Factory and the Stanthorpe Museum. They had a great time learning about how broccolini was planted, grown and harvested and the process of making apple juice. The Law Dogs Australia show was fascinating, as was discovering the history of Stanthorpe.

The students are to be congratulated on their excellent behaviour throughout the excursion. Mrs Faulkner and I are very proud of you.

In the Classroom ~ HSIE and CAPA

This term we are studying *Celebrations*. As a part of this unit we require photos of your family's celebrations. For example baptisms, wedding or birthday photos.

We will not only look at our celebrations in Australia but we will be looking at celebrations from around the world, eg Halloween and the Japanese Shichi-go-tan festivals. We will look at the different traditions, symbols and food that make up the different celebrations. Mrs Ramsay
