### Remembrance Day Service

Tulloona Public School held a lovely Remembrance Day service on Monday 11th November. Mr Tim Hayes was our guest speaker. He spoke about the importance of Remembrance Day from a personal and International point of view. Thank you Mr Hayes. The students participated in the service by reading poems, laying a reef and raising the Australian flag. Congratulations girls on your respectful manner during the service.

## **In the Classroom**

During literacy and science & technology lessons the students have been learning about logging into their computers and the internet. They have also been composing, sending and receiving emails. The students get excited when they receive emails from their peers.

During sport over the past two weeks Mrs Ramsay has been teaching the students various skills in gymnastics. They have been rolling, tumbling and using the mini trampoline and pommel horse. Well done girls!

## **Our Vegetable Garden**

Last week we planted a variety of vegetables and herbs, such as strawberries, carrots, parsley, baby beetroot and radishes, in our two vegetable gardens. We chose these plants as they will be ready to harvest by the end of the term. The students will have the responsibility to water the plants every day. Thank you Mr Kelloway for preparing the vegetable gardens and enclosing them for protection from kangaroos, rabbits and hares.
