Dear Parents

Well Done Parents! It is great that you are involved in our 'Health Transformation'. Be proud of the effort that you are going to each week to be here at 7:30am. I hope your recovery is pleasant. Great Work!!

I just thought you should all know that my position has been advertised for the past 2 weeks and closes today at 5pm. The process of application is an expression of interest that addresses 5 selection criteria. All applications are addressed to Rebecca Langdon- Barwon Regional Director in Moree. She forms a panel and decides on the best applicant. We should have some information about the best applicant late next week or the week after.

Regards

Felicity Quinlan

## **Extra Curricula Events**

### **Health Minds Healthy Bodies**

Last week all students from Croppa Creek and Tulloona made sensational faces using a huge variety of fruit and vegetables. The dieticians were impressed with the knowledge that the children had about the different types of fruit and vegetables. All children then ate their creative faces. This is a great program encouraging children to try and eat new fruit and vegetables. This week they are focusing on drinking water and performing experiments that involve celery and food dye.

#### **Author Workshops**

We will travel to Moree on the bus for the students to attend these workshops. The school will cover the cost of the workshops. They will need to bring a packed lunch. We thought as a treat we would take them to a Bakery/shop for afternoon tea before we came home on the bus. If you would like your child to have treat item could you please pack money for this. Children are required to be in full school uniform.

#### **Dress up as a book character and Share a book**

Tulloona and Croppa Creek Schools and Tharawonga children are asked to dress up as a book character.

We will have a character parade and we will all share the joy of reading our books. After the parade we will all have morning tea together.

We are asking all parents, aunts, uncles, grandparents, neighbours or community members who would like to dress as a book character to come along. If possible bring your book to read with our children.

We are also asking if you would bring a plate to share for morning tea.

## **Upcoming Events**

### **Tulloona School Adopts A Pet**

We have exciting news! Our Tulloona Puppy was born on Sunday night at approximately 10pm. Our female puppy is already making headlines. Our puppy is one on 8 which is unheard of for her Maltese breed. The Chinchilla vets are using this litter of puppies for the headline of their annual newsletter. The children have seen pictures of our school puppy and have begun the planning aspects of what our school will need for our puppy to be a model student. We now just wait for 8 weeks until she arrives as a new enrolment.
