Dear Parents

I hope you all enjoyed your Easter weekend. The children were very excited to share their upcoming Easter plans with their classmates last week. I hope you enjoyed the four day weekend and the weekend was restful and peaceful. We are now on the count down until Daylight Savings Time finishes. Please note it finishes this Sunday night the 3rd April, 2016. YIPPEEE! After this finishes we will have 5 school days before we begin our holidays. Holidays begin on Friday 8th April at 3pm.

Regards

Felicity Quinlan

Sport at North Star- Friday 1st April

This Friday 1st April we will be travelling to North Star for sport on the bus. We only have room for 9 students on the bus. I am asking for a volunteer family to travel to North Star with their children. We leave at approximately 8:45am and finish sport at approximately 11:00am. If you could let the office know as soon as possible before Friday who is available to transport it would be greatly appreciated.

Guest Speaker- Wednesday 6th April 2016

Mr Lew Matchett will be visiting our school to give a detailed presentation to our students. He will be speaking about how 'Telephones have changed throughout time'. He is bringing with him many working examples of old telephones. He will loan these to our students and a display will be created in the library.

ANZAC Day- 25th April 2016

I have contacted North Star School and they provided information about the North Star ANZAC Service. The children are asked to meet at the North Star School at 10:30am on 25th April. All children from both schools will march from the North Star School to the park and participate in the service. Two children will lay a wreath. Afterwards there is a Legacy lunch if families would like to attend.

Sound of Music- 27th April, 2016

See attached note
