From Mrs Walker's Desk

Welcome back to another busy term at Tulloona Public School! After a tumultuous end to Term 1 with flooding and road closures, I look forward to a smooth and engaging Term 2!

Students have settled back into school routines well this term and have displayed an eagerness to learn which is delightful to see. We have already done so much, including unpacking and investigating our tablet robotics, ANZAC Day investigation and commemoration and to cap off week two we will venture to the Goondiwindi Show!

This term will be extremely busy with Macintyre cross country and athletics, usual sport and science with Croppa Creek PS and day trips to North Star and Yetman as part of our community of small schools. I encourage all families to keep an eye on their calendar so that your children can enjoy participating in these educational experiences.

As term 1 was interrupted, can I ask again that each family organise a time with me to sit down and create some learning goals for the remainder of the year. This is an informal process but has a great impact on learning. Please contact me to arrange a time.

Looking forward to all this term has to offer!
Katherine Walker | Principal (relieving)
