From Mrs Walker's Desk

What a busy few weeks we have had since our last newsletter. Students have actively participated in many opportunities with great enthusiasm.

In this week's newsletter you will see student's Antarctica information posters. Over the last semester with Mrs Mooney, students have learned many things about this amazing continent and have had the opportunity to summarise that in electronic poster form, learning valuable word processing skills in addition to a deep knowledge on Antarctica.

In week 6 we have the opportunity to attend North Star, Yetman and Croppa Creek for different learning opportunities. Students always enjoy these events where they mix with other small schools and participate in activities with larger groups.

We have recently finished our Aboriginal hand stencil paintings and these will form part of a larger display in preparation for NAIDOC week. Students worked meticulously to complete these works and are very proud of the results. We invite you to take a look at the final product when you have the chance.

This week Miss Wendy from Gwydir Mobile Preschool helped us with our ukulele's. We hope to do this each Tuesday to refresh our skills and extend our repertoire.
